C

73.5 / 100

You're leaving real money on the table.

$30,000 a year

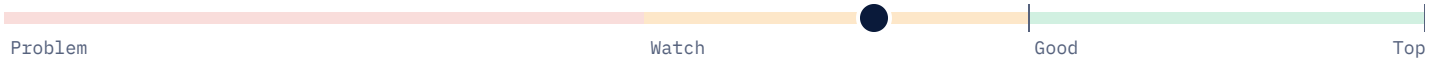

What you'd collect on top of today if your numbers matched top practices. An estimate based on what you entered.

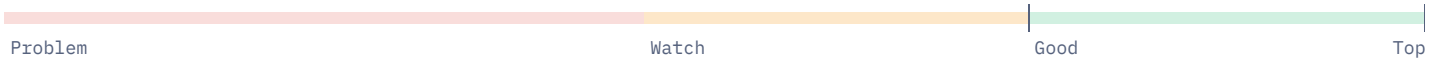

Your biggest opportunity: first-pass rate, 91% vs 97% at top practices.

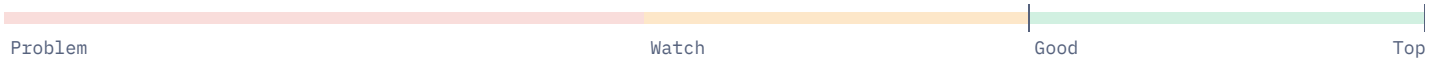

Your billing statement

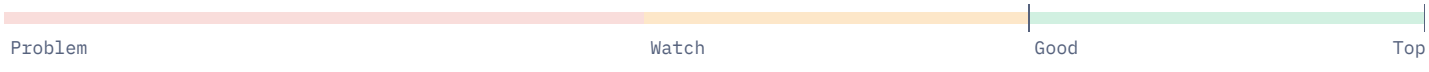

Prepared November 9, 2026 · Primary care and general medicine

Number	You	Good	Top	Status
Net collection rate	93.0%	95%	98%	Watch
Days in AR	45.0 days	40 days	30 days	Watch
AR over 90 days	18.0%	15%	10%	Watch
Denial rate	7.0%	5%	3%	Watch
First-pass rate	91.0%	95%	97%	Watch — Biggest opportunity

Where the money is.

Uncollected money per year	**$30,000**
Cash that could come in faster one-time	**$25,000**
Denied claims above target per month	**$2,000**
Money stuck over 90 days right now	**$6,000**

$13,500 is in claims over 90 days old right now.

Separate estimates with different time units, so they're never added together.
